**MEMORANDUM FOR THE RECORD**

**SUBJECT:** [REDACTED] 25X1A

25X1A 1. On 21 January 1963 the DD/R informed me that he  
25X1A had ascertained that a letter was received in the CIA  
Watch Office from [REDACTED] addressed to the DCI. Dr.  
25X1A Scoville pointed out that [REDACTED] had authorized the  
Watch Office to open the letter and make a thermofax  
copy of it, and a possibility exists that someone in the  
Watch Office may have had access to Project [REDACTED] informa-25X1A  
tion.

25X1A 2. On 22 January 1963 I checked this matter out  
with [REDACTED] and he informed me that the letter was  
received and he directed [REDACTED] to open it, make a 25X1A  
copy of it and deliver the original to the DCI at the  
25X1A airport. [REDACTED] stated that only [REDACTED] had 25X1A  
access to the letter and although [REDACTED] wasn't mentioned 25X1A  
by name, the letter did, in fact, refer to the Project.  
25X1A [REDACTED] obtained the thermofaxed copy of the letter.

3. A check of our indices discloses that the Subject  
is cleared for I, O, C & A. No further action is required.
